THE BUS TRIP POLICY

The bus trip may be canceled at the discretion of the Senior Activity Center Manager if there is an insufficient number of registrants or due to inclement weather.

Cancellations & Wait List: If you need to cancel you must call the Senior Center at 218-751-8836 prior to the trip date. **Your registration is NOT transferable. You may NOT ask someone to take your place without first checking with the Center.** The Senior Center creates a wait list once seating is full. **Canceled seats must be filled from the waiting list first.** Any person who is NOT on the paid registration list will NOT be accepted on the bus. In case of emergency the Senior Center needs to know all names of registrants before departure.

Refunds: A full refund will be given if trip is canceled before the deadline date. Refunds will be given after the deadline date for reasons of death or hospitalization of self or immediate family.

Each registrant will receive and sign a copy of the bus policy when they register for the trip. By signing this policy, you agree to the terms within.
